

Safety Alarms and Fire Rated Downlighters

SAFETY ALARMS AND FIRE RATED DOWNLIGHTERS

Acknowledged as one of the leading brands in the UK and in British Standard markets around the world, Appleby offers a wide range of quality products which now includes safety alarms and downlighters.

Safety Alarms

Appleby safety alarms are designed, manufactured and tested in accordance with recognised product standards, and supported by extended guarantees.

The manufacturing plant is recognised for product safety and sustainability.

The products are RoHS and REACH compliant and the factory operates to the internationally recognised ISO9001 standard for quality.

Residential Downlighters

Appleby interior lighting includes an extensive range of Fire Rated Downlighters suitable for both modern and traditional installations.

Downlighters are available in a variety of finishes and are supplied complete with energy efficient non-dimmable GU10 LED lamps. Available in either IP20 or IP65 format these Fire Rated downlighters incorporate a number of features and satisfy the requirements of 30, 60 and 90 minute fire resistance.

Appleby interior downlighters are independently tested to BS standards and are RoHS, Eco Design Directive and EMC compliant.

CONTENTS

Optical Smoke Alarm & Heat Alarm	2
Carbon Monoxide Alarm	3
Residential Downlighters	4
Technical Data	5

- Dust cover included
- 9v backup battery included
- Easy installation
- Test/hush facility Optical and Heat alarm
- Test/reset facility CO alarm
- Interlink capability

- GU10 LED Lamp included
- Replacement lamp GU10 (5W)
- White or Warm White
- IP20 and IP65
- 3 decorative finishes

Appleby has always been a name synonymous with reliability and value, committed to adding extra quality features.

Appleby is a part of Electrium, one of the UK's largest electrical installation equipment producers serving UK and Export, British Standard markets.

OPTICAL SMOKE ALARM AND HEAT ALARM

OPTICAL SMOKE ALARM

BS EN 14604:2005

List No	Description
D230OSA	230V mains powered Optical smoke alarm with
	9V alkaline battery backup

Features

- 230V AC
- 9V alkaline battery back up included.
- 6 year warranty.
- Self test on sensor & self diagnostic feature.
- Easy installation.
- Dust cover.

HEAT ALARM

BS 5446-2: 2003

List No	Description	
D230HA	230V mains powered Heat alarm with	
	9V alkaline battery backup	

Features

- 230V AC
- 9V alkaline battery back up included.
- 6 year warranty.
- Self test on sensor & self diagnostic feature.
- Easy installation.
- Dust cover.

Dimensions

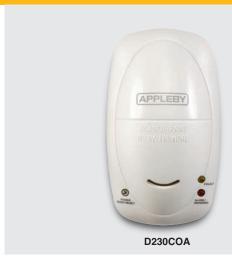

Diameter 120mm

Dimensions

Diameter 123mm

CARBON MONOXIDE ALARM

CARBON MONOXIDE ALARM

BS EN 50291-1:2010

List No	Description
D230COA	230V mains powered Carbon Monoxide alarm with
	9V alkaline battery backup

Features

- 230V AC
- 9V alkaline battery back up included.
- 5 year warranty.
- Self test on sensor & self diagnostic feature.
- Easy installation.

For CO alarm locations see installation instructions supplied with product

Dimensions

46mm
130mm
75mm

PATTRESS

BS 5733

List No	Description
D230UP	Pattress for installing D230OSA & D230HA

Features

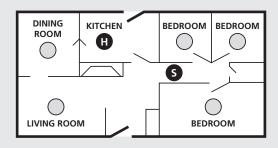

- Made from flame retardant thermoplastic
- Normally open normally closed or common
- 2 x 28mm & 2 x 20mm knockouts
- Integrated terminal block

Dimensions

Diameter: 110mm Depth: 22mm

RESIDENTIAL DOWNLIGHTERS

IP20 RESIDENTIAL FIRE RATED DOWNLIGHTERS (including lamp)

List No	Description
D1002WHNR-C	LED 5W downlighter fixed, 4000K, white
D1002PCNR-C	LED 5W downlighter fixed, 4000K, white
D1002BCNR-C	LED 5W downlighter fixed, 4000K, white
D1002WHNR-W	LED 5W downlighter fixed, 3000K, warm white
D1002PCNR-W	LED 5W downlighter fixed, 3000K, warm white
D1002BCNR-W	LED 5W downlighter fixed, 3000K, warm white

Features

- Supplied complete with LED lamp
- 5W (Luminous Flux 400lm) 3000K warm white or 4000K white lamp
- Beam angle 38°
- GU10 lampholder
- Large loop in/loop out terminal block for easy installation
- Available in 3 finishes: Polished Chrome (PC), Brushed Chrome (BC) and White (WH)

Standard
