

SI EP GB&I (Smart Infrastructure Electrical Products) Electrium Sales Ltd

Quality Policy Statement

As a leading manufacturer of electrical domestic and commercial products, SI EP Electrium Sales Limited is committed to creating a culture in which employees understand that quality is an integral part of the efficient running of the Business.

It is the policy of SI EP Electrium Sales Limited to provide products and services that will fully meet or exceed all reasonable quality expectations of both our internal and external customers.

We are committed to the adoption of Quality processes and procedures within the Business and to the integration with Health, Safety and Environmental Management systems to deliver customer satisfaction.

Quality objectives are set annually in support of business objectives and, through the Management Review process, drive organisational performance to ensure our commitment to continual improvement is fulfilled. The Company also recognises the need for providing the appropriate resources to achieve its overall objectives which are communicated to all staff and achieved by the operation of a Quality Management System that;

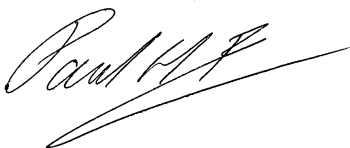

- Is driven by customer satisfaction
- Follows a systematic approach to Risk Management identifying future Risks and Opportunities, Impact Analysis and risk value as well as planned countermeasures and contingencies
- Is fully endorsed by the Senior Leadership Team and their Management Teams
- Is practiced in accordance with BS EN ISO9001:2015 including the Policy of Siemens Quality Management and Mandatory elements and all other industry specific requirements
- Embraces the Quality Management and Environmental Health and Safety Charter of the Division SI EP
- Embraces the whole process chain from supplier to customer, incorporating the efforts of every employee and is based on the Business Process Management principles (Siemens Reference Process House)
- Is continually reviewed to ensure efficient use of resources in support of the changing needs of the Business and the customer

We will ensure effective representation, participation and understanding by all employees of the above, by:

- Clear and comprehensible communication, instructions, guidance and codes of practices
- Motivation by objective and target setting and positive reinforcement

SI EP Electrium Sales Limited is committed to the setting of objectives to facilitate continual improvement of its Management Systems and will systematically measure, evaluate, control and promote the progress made in the implementation of the above principles; give its full backing to this Policy and will support all those who take actions to implement it. Employees are expected to bring to the notice of Management any quality concerns, dangerous practices and incidents that they become aware of, but also to give any suggestions that might lead to improved processes and working practices.

To ensure the effectiveness of this Policy it will be reviewed on an annual basis and communicated to all employees and interested parties.

P Fisher
Managing Director
